“Success is not received, it is achieved.”

The Renaissance Program's primary mission is to recognize, reward, and celebrate student achievement. At the beginning of each marking quarter, students are recognized and honored for the achievement of the previous marking quarter by receiving a Renaissance Card:

Gold Card: Grade Point Average of 4.00-4.70

Silver Card: Grade Point Average of 3.00-3.99

White Card: Grade Point Average of 2.30-2.99

The Renaissance Program allows the business community an opportunity to reward the students by offering various incentives or donations. These might include such items as free food, discounted purchases, buy one get one free, or a cash donation to sponsor marking quarter activities for the Renaissance student's.

The students need your help. Any contribution is greatly appreciated. If you or your business would like to participate in recognizing our students' achievements, check the appropriate box and fill out your business information. Effort, improvement, and achievement need to be recognized and rewarded.
